

## LUDOVICO EINAUDI : DIVENIRE PF BK

(Music Sales America). A selection of songs from Einaudi's 2007 album, specially transcribed for solo piano. The composer writes, In this folio you will find most of the music from the Divenire album. There are a number of pieces in this book, particularly those that are accompanied by orchestra or feature electronic sounds, that I have altered in order to achieve a better solo piano transcription. I have also replaced the piece Svanire, for cello and strings, with Luce, a solo piano piece that is available on iTunes as a bonus track.
