

Come Out On Top: Goals To Live By (article)

Setting written goals magnifies your performance. This article (about 3,500 words) will help you learn how to set challenging, but attainable goals that will change your life. Goals about obtaining things are less important and less impact than goals about becoming a different person. But most people have no idea of how to set and attain goals that help them become the person they want to be. Tom Sheppard gives clear, easy to follow, instructions that will help you set and attain the goals that will help you transform your life into the life you want.
