

(Guitar Method). Guitar for Kids is a fun, easy course that teaches children to play guitar faster than ever before. Continuing where Book 1 left off, popular songs in this volume, such as Eight Days a Week, Let It Go, Rock Around the Clock, Fields of Gold, Oye Como Va, and Dust in the Wind keep kids motivated, while the clean, simple page layouts ensure their attention remains focused on one concept at a time. The method is equally suitable for children using electric or acoustic guitars. It can be used in combination with a guitar teacher or parent, even if they've never had any musical training themselves. The price of this book includes access to over 30 audio demonstration tracks online, for download or streaming.
