

People face multiple objectives and need to make decisions in a state of uncertainty on a regular basis. This volume shows how random-like multiple objective decision making can help readers deal with this problem.

The Paradox of Social Order: Linking Psychology and Sociology (Sociological Imagination and Structural Change), Collected Papers on Schizophrenia and Related Subjects [Third Printing], Art Theory: An Historical Introduction, Demon (3rd Series) (1990) #40, If My People - Accompaniment CD CD, Other Icons: Art and Power in Byzantine Secular Culture, Muqarnas, The Light of the World (Assembly, Solo, SATB Choir, and Piano), Manual de Comunicacion Intercultural: Una introduccion a sus conceptos, teorias y aplicaciones (Spanish Edition), Scientific American Reader: to accompany Psychology 4e,
