

When the griffin Galator flees to Earth after his failed rebellion, the Lord Protector of Etheria, Lask Somadar, must go after him before the griffin can share the secrets of Immortality and ignite a war between Earth and Etheria. However, what was meant to be a quick and covert mission quickly complicates when Lask encounters Myranda, a refugee from Galator's swath of destruction. Lask soon finds that it is not only his kingdom at stake, but his heart as well.
