Strings In the earth and air Make music sweet; Strings by the river where The willows meet. There smusic along the river For Love wanders there, Pale flowers on his mantle, Dark leaves on his hair. All softly playing, With head to the music bent. And fingers straying Upon an instrument.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
